ON our fruit Catalogues we have recommendations which we find are used to other parties in the fruit tree business. We have, by having labor, and with much excition, secured a reputation for our Fruit Trees. All Catalogues without the name of Macob Hikes & Son's upon them, with the recommendations of Job. Maines, it, 8 toudard, Robbitt and Herman, Chas. G. Neain and War, J. McKinney, attached, are spurious.

We forward all persons from our ingressenting the trees to be from our nur-ery, as they are mitlanding on our reputation, and using our manner, as well as others, without our knowledge or consent.
